General Business

Peak Body works.

Cemetery : to make a priority for our next works program - To look at repairing and painting the existing fence, then have the Council pull the avenue of trees, so that we can put together a clearer plan for the planting of new trees or shrubs.

Information package for new residents – keep on the Agenda

Winkler Park: Working bees- to be put notice on board.

Institute: No Report

Rec Ground. Update on Dump point.

Xmas Party: Cleaning out RSL room - Liz doing the organising herself – Liz and Adrian will take a look up at Oval to see where some things can be stored

Bingo: Still going.

Museum:

Old School Building – Where to from here? Think Tank.

David Gibbs, gave a report on the funding, he has tried to acquire through Geoff Brock, but feels that they may only get funding for the veranda for the Museum .

David mentioned that the Scouts, with Kenton Klemm are going to do work on the Vidion trolley.

After some general discussion on how to raise funds for the Old School building roof, some of the ideas put forward were:

- Take out a loan, may be from Council As for the public to buy a Sheet of roofing material.
- Strategic plan to be put in place at their Meeting 2nd Thursday in August.
- Two quotes to meeting for Roof
- Present to Meeting.
- Have a Project Promotion Dinner

David, will take these points to the meeting and will come back to Peak Body, who are willing to help with the overall project.

Other Business:

Health Hazard – with foods in Foodworks council will act on this quickly.

Discussion on foodworks, and the lack of progress with demolition – may be due to Insurance Co.

Works order for trees on Barrier Highway put in the day after the AGM – near the Catholic Church.

Meeting Closed 9.10 pm
